**COUNCIL REGULATION (EEC) No 1008**  
of 24 September 1979  
on support for rural development by the Community  
Agri-cultural Fund for Rural Development

THE COUNCIL OF THE EUROPEAN UNION,  
Having regard to the Treaty establishing the European Community and in particular Article 175 and 176C thereof,  
Having regard to the proposal from the Commission,  
Having regard to the opinion of the European Parliament (1),  
Whereas:

(1) A rural development policy should accompany and complement the other policies of the Community, particularly the common agricultural policy and the policies in the fields of regional development, research and development, education, culture, youth, the handicapped and social policy, in order to ensure the general objectives of the Community and to contribute to the economic and social development of the rural areas of the Community and to the well-being of the rural population.

(2) The Commission should be empowered to take the necessary measures to ensure the effective implementation of the provisions of this Regulation.

(3) The Commission should be empowered to take the necessary measures to ensure the effective implementation of the provisions of this Regulation.

(4) The Commission should be empowered to take the necessary measures to ensure the effective implementation of the provisions of this Regulation.

(5) The Commission should be empowered to take the necessary measures to ensure the effective implementation of the provisions of this Regulation.

(6) The Commission should be empowered to take the necessary measures to ensure the effective implementation of the provisions of this Regulation.

(7) The Commission should be empowered to take the necessary measures to ensure the effective implementation of the provisions of this Regulation.

(8) The Commission should be empowered to take the necessary measures to ensure the effective implementation of the provisions of this Regulation.

(9) The Commission should be empowered to take the necessary measures to ensure the effective implementation of the provisions of this Regulation.

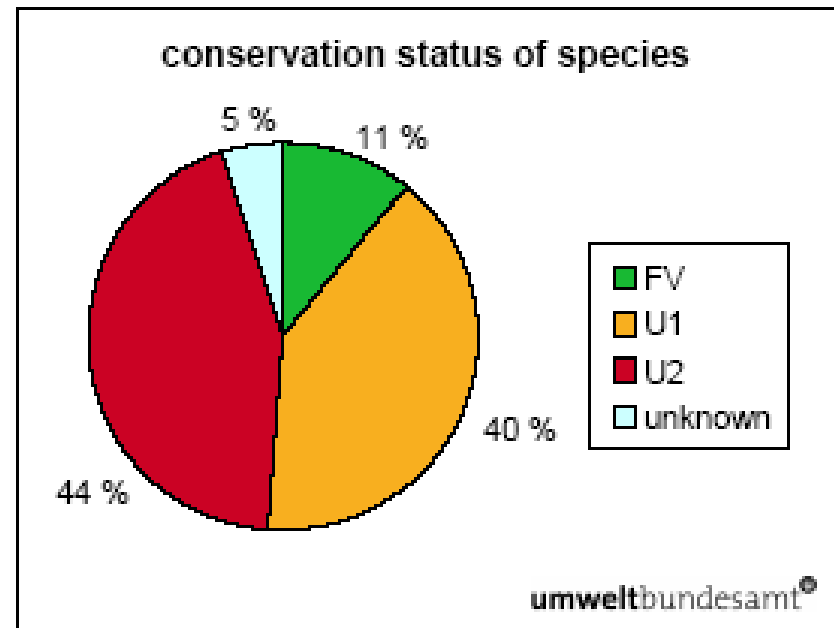

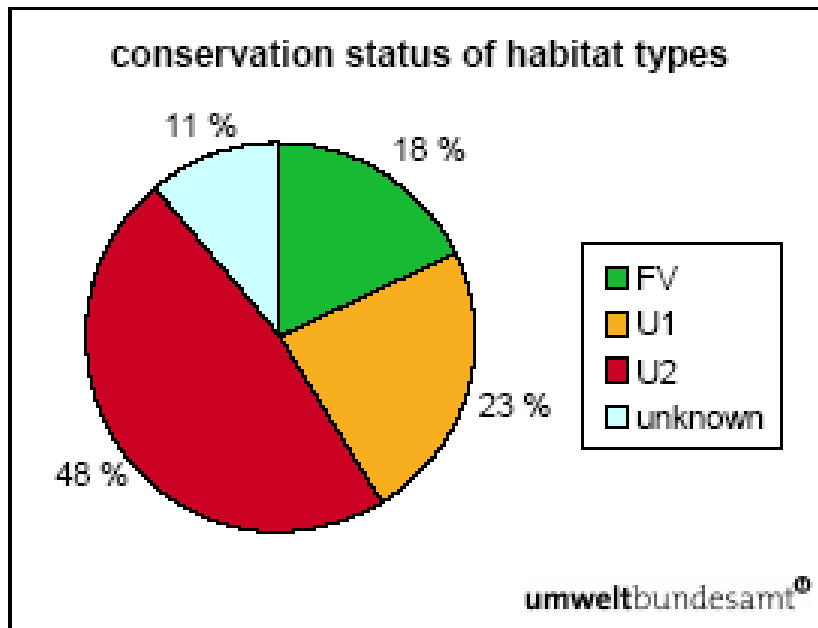

(10) The Commission should be empowered to take the necessary measures to ensure the effective implementation of the provisions of this Regulation.
